### What is Remuneration?

Remuneration is a payment we receive from insurance companies, known as product producers, for the services we provide to both you and the insurer. These services include arranging your insurance policy, helping with ongoing policy administration, and supporting marketing and distribution activities.

### Who Underwrites Your Policy?

For this policy, your insurance is underwritten by Burns & Wilcox Global Solutions (Europe) B.V., for and on behalf of SAVA Insurance Company Limited ('Sava'). Sava are regulated by the Insurance Supervision Agency of Slovenia E.U. and passported on a freedom of service to the Republic of Ireland and is regulated by the Central Bank of Ireland for conduct of business rules.

### How Are We Paid?

For arranging and servicing your policy, we are remunerated for our services by receiving a commission from the underwriter, Burns & Wilcox Global Solutions (Europe) B.V. The commission is 28% (twenty eight percent) of the total premiums paid.

### Profit Share

In some cases, we may receive an extra payment called a "profit share." If the insurer's business performs well after paying claims and covering expenses, we may be rewarded with an additional amount based on the overall financial results of the insurance policies we help distribute. This payment is separate from our standard commission and depends entirely on the insurer's performance.
